## Aims and Scope

The **Asian Journal of Biodiversity** (AJOB) aims to publish new discoveries in species diversity, ecological diversity, genetic diversity and biodiversity education which provides new information necessary to preserve, conserve and protect the faunal and floral richness of Asia.

The **Asian Journal of Biodiversity** is an international peer reviewed and multidisciplinary journal that provides a venue for scholars to publish their research findings. Through the new knowledge generated, this journal intends to empower citizens to take an active role in biodiversity conservation.
