AIMS AND SCOPE

The **Asian Journal of Business and Governance** (AJBG) aims to publish new discoveries in business administration, corporate management, public governance, and business education; which provide new information to improve the development of the public and private sectors in the Philippines and the rest of Asia.

The **Asian Journal of Business and Governance** is an international peer reviewed and multidisciplinary journal that provides a venue for scholars to publish their research findings. Through the new knowledge generated, this journal intends to empower citizens to take an active role in national and regional development of Asia.
