AIMS AND SCOPE

The School of Graduate Studies Research Journal Liceo de Cagayan University aims to publish new insights on corporate management, business public policy, social science, environmental management, science, technology and engineering, health education and quality assurance.

The School of Graduate Studies Research Journal Liceo de Cagayan University is a peer reviewed and multidisciplinary journal that provides a venue for scholars to publish their research findings for advocacy and utilization. Through the new knowledge generated, this journal intends to empower citizens to take an active role in national and regional development of Asia.

A precondition for publication of a research article is the transfer of copyright from the authors to the School of Graduate Studies Research Journal Liceo de Cagayan University.
